

Division 7 Rocks Reading!

Our goal in 2015-16 is to establish seven (7) reading rooms in Division 7. Ideally, we will place them in elementary schools currently lacking quality reading resources. We ask each club to nominate a school in its area that would be a candidate for receiving one of these rooms.

We seek one member of each club to serve on a Division 7 committee to direct this project over the next year.

Does your club have a school to nominate?
