Hello Division 7 Kiwanians! I know that things are a bit unsettled right now, but I did not want time to pass without providing you with some important updates on where Division 7 is and where we can still go!

♥ **Division Council Meetings**: The April Meeting will be our election meeting. We will most likely have this meeting online or access via call in and I will need a representative from every club on the call. Please send your nominations for LTG and LTG Elect to Lorie Deering at loriezluv@gmail.com ASAP. We need to have folks step up to lead our division.

♥ **Governor’s Visit**: The Governor’s Visit has been postponed until Saturday, July 25th. The location will be St. Luke’s Lutheran Church (7595 Center Parkway, Sacramento). You still have time to order your DSA, CSA, YSA, or other foundation Awards. Please have them sent to my home address (email me for the address). There will be a President’s Meeting with Governor Cunning during the social time, so it is important that all club president’s attend this event. The new flyer is attached to this newsletter.

♥ **Service Hours**: You all are Service Rock Stars!!! For the month of February, Division 7 did a total of 1,368 hours, bringing our cumulative total to 5,176 hours since October 1st! That is the equivalent of $131,625.68 worth of time spent volunteering.

♥ **Membership Updates**: Last month, only the Laguna-Elk Grove club added a member, bringing the Division total new members to 15 for the year. Let us not stop this virus from reaching out online or via phone to potential new members. Start planning your special guest meetings and do not be deterred. We won’t be in isolation forever and we have to keep our members engaged. Be sure to reach out to your existing members to; check up on each other.

♥ **Kiwanis Family House**: The Maita Subaru Share-the-Love Event raised over $39,000 for KFH over the holidays! This is amazing news and be sure to give a huge shout out to Maita Subaru and everyone who bought a car and chose to donate to KFH.

♥ **Key Club Updates - Division 7N**: For the 19-20 term, D7N served 9,441 service hours and raised $2,173 for the Pediatric Trauma Program!

♥ **Key Club Updates - Division 7S**: For the 19-20 term, D7S served 24,737.14 service hours and raised $17,011.25 for the Pediatric Trauma Program! They had 1160 members and 116 Member Recognition Program winners, with 16 being Platinum!

Contact me at division7ltg@gmail.com or via cell phone at 916-296-5907
I have been advised that all clubs have suspended their meetings, most for at least the month of March. Please let me know what your clubs meeting statuses are so I can update our Division Calendar and be sure to update your Facebook and Club Websites as well. I encourage you all to follow the CDC and California Department of Health Guidelines and do what is best for your clubs. You can also do your meetings virtually using conference calls, Skype or Zoom meetings. You may do the same for your Board Meetings.

**Important Dates**

- April 30th - Creelman-Francisco Golf Tourney (flyer attached)
- June 18th-21st (International Convention (ICON) – Indianapolis, IN)
- July 1st-5th (Key Club ICON, San Francisco)
- August 13th-15th (District Convention (DCON) – Sparks, NV)

**Foundation Resources**

The CNH Foundation has Club Grants available for you! If your club is considering helping out your local food bank with a donation during this time, think about submitting a grant request, especially if the funds will be used to provide emergency services to seniors who are being asked to shelter in place and are unable to get out to access food resources on their own. Visit the Foundation Website at http://www.cnhfoundation.org for more information.

**Ways to Stay Connected With Club Members During Isolation**

- Go LIVE with a video feed on Facebook and invite others to join in on a conversational topic, like what service active you will do when you regroup, fundraisers you can do online, better ways to engage our youth, or how to reach out to the community.
- Write short notes to club members or better yet, pick up the phone and say hello. Let’s make sure that everyone is physically and mentally doing ok! Anxiety is high right now. If you don’t have the contact information for your club members ask your Club Secretary for a roster or get a committee together to do this. Laguna-Elk Grove has an Engagement Committee and it is quite successful and has been well received by the club.

Let’s also be thinking about our SLP right now too, especially the Senior Class. They are experiencing a lot of uncertainty with graduation and their final year of high school. Give them support and let them know you are here for them should they need an ear to listen.

Creelman-Francisco Golf Classic Packets will be mailed to your clubs. Please get the word out to your club members about the raffle tickets and consider being a Tee Sponsor. The event is still planned for April 30th but will, of course, be postponed should the need arise.
